

Caseworker for Ukraine Programme

Association overview

Platform for Peace and Humanity is an international civic association which engages in 3 pillars of its work, i.e. research, advocacy and awareness-raising that are reflected in all its projects and activities within its mandate to promote peace and humanity by international law. The organization is further structured into regional programmes: South East Europe and Black Sea Region Programme, Mediterranean Programme, the newly formed Central Asia Programme, Towards the Enforcement of the Right to Peace Programme and Ukraine Programme.

Each of our regional programmes publish regional analysis in a bi-monthly Peace & Security Monitor publication. The organization also publishes Weekly News Recap and runs a Blog for internal and external contributions in the area of international law, human rights, international relations and international security and peacebuilding.

Position overview

Caseworkers interview Ukrainian refugees residing in Spain, Czechia and Slovakia, collect relevant information (after obtaining consent) and identify victims and witnesses for various project-related purposes (see e.g. [Project Sunflowers](#))
